

Special Holiday issue December, 2006

- * **President's Message**
Merry Christmas everyone, Happy Winter Solstice - and every Holiday in between. This is (or should I say 'tis) the season that we feel most generous in spirit and pocketbook. I hope all of us find that one spot, that one organization or charity to share our wealth with donations of money, or our time or even our art. So many institutions could use artwork to brighten a spot and give joy to someone. You may never fully know what your kindness meant to some unknown person, but it will make you feel SO good!
